Happy February to every Egle. I am excited to relay this month's information to you.

Alright lets unpack this and get inti it. First our kitchen is going to get a new floor, a much-needed new floor. The color, the material is all going to be different, it's going to be a beautiful floor. Ok I'll get back to the floor in just a

moment, now I want to talk about our yard. The area I'm talking about is right next to the BBQ area and will extend out to the back of the garage, and from the garage out about 5' from the large stump with the Eagle on top of it. Now what are we going to do there, is kill the weeds, evict the gophers, and till the area. Then level and flatten the area best we can then weed barrier, then D.G. up to 3". This is going to turn unusable space into a beautiful usable area.

Now when it comes to both of these projects, everyone has seen a store sign that says "Please excuse our mess", well now it's our turn so please excuse our mess, and please and don't worry there will be a lot of cleaning going on during all of this.

Now I would like to talk about donations, I have received some donations to get these projects a jump started. Our donation hand is out right now. Ant donation big or small would be greatly appreciated. Please any donation can be mailed in or just come by and give it to our bartender on duty, every dime will wisely go to the projects. I also am going to start working on a fund-raising dinner, not sure what it is going to be yet I'm just now starting to work on it. Everyone will be notified of the function. I can tell ya this is going to be fun time for the aerie, a few upgrades oh yeah.

Ok now moving on, look at the calendar provided we have a couple of burger nights a taco night and a Super Bowl Pot Luck, so please mark your calendars, and I look forward to seeing you. Let's break bread together and have a good time, what do you say...
