Good morning aerie 3389 how's everyone doing on this fine October day. All right what you say we get right to it. The first thing I'd like to do is apologize to everybody the spaghetti dinner that we had scheduled up on the 5th had to be canceled. We don't like doing that of course but there was no way around it we had to cancel it and I promise you we will make it up to everyone. All right enough for the bumper stuff right hey I hope everyone joins me and thinking John Carroll and crew for providing us with a fine Mexican dinner here last month. A lot of people came lot of fun going on. Thank you, John. New paragraph okay I'd like to talk about a future date event December 2nd we are hosting a blood drive it'll be from 3:00 to 6:00 out in our parking lot. Now we are just hosting it they are bringing out all their technician's phlebotomist they're supplying everything. Now it is open to the public so you may see strangers walking around which is a good thing considering what it is. Myself and our other officers would love to see a ton of our people show up and donate blood that would just awesome. Again, that is December 2nd from 3:00 to 6:00. Hey check this out on October 26th a small group of our people Andrea, Miguel, Al, Troy are putting on what they are calling a Halloweenie. What this is gourmet hot dogs and a hot dog bar, meaning all the fixings that you could think of. Now this is a new one to me and I think it's really going to be cool. Now the same night we are also going to have a Halloween party you know grab a costume throw it on if you don't have a costume come anyways, we're going to have a lot of fun and hopefully it'll be bigger than last year's and you know last year was a lot of fun. All right moving on we have a pinball machine coming we don't know the exact date yet right now it is heading to a shop to be refurbished all redone and this is being provided by Randy who takes care of our jukebox and dart board I will keep everyone updated on when it's going to arrive. Okay moving on all right now I'd like to address an issue here I'm sure everyone has heard rumors being thrown around by some jackass about certain members of our lodge about the lodge itself I would like to assure everybody that these are just false accusations it's just coming from Jackass trying to stay relevant with his friends or going through midlife crisis whatever it is. Please do not think or worry about that everything is fine here. So please come on in have some fun. I look forward to seeing all of you. Okay everyone have a good October your President Kelly.

Kelly
